It's Ok [It's Alright]

Fine Young Cannibals

I've been looking for about an hour, for a place to drink
Trouble with this town, everyone's asleep
Me and my girlfriend, had another fight
Now she's gone and left me, in the middle of the nightIt's OK, it's alright, baby's staying one more night
It's OK, it's alright, baby's staying one more nightIf I've been looking for about an hour, for a place to drink
If I had a number, I'd give her a ring
I've got to, got to tell her, how sorry I am
If I get to see her, I know she'll understandIt's OK, it's alright, baby's staying one more night
And just you, and I, maybe we can make it right
If you're sure your answer's no,
Take you where you want to go
It's OK, it's alright, baby's staying one more nightI've been trying for an hour, to find the right words
I know what she's thinking, I know how it hurtsIt's OK, it's alright, baby's staying one more night
And just you, and I, maybe we can make it right
If you're sure your answer's no,
I'll take you where you want to goIt's OK, it's alright, baby's staying one more night
It's OK, it's alright, baby's staying one more night
