

A Love Calling

White Heart

Like the dawn breaking, the light came shining through
And a heart broken is now a heart given to you
But still theres something deeper, something more than gratitude
And its saying, saying, saying, theres so much more that we can do
Weve got a love calling, a love calling
Oh, weve got a love calling cause we hear love calling
Ah, theres a new wind blowing since weve been given
this call
When your spirits leading, oh, it doesnt feel like a burden at all
There are still lands locked in darkness
There are hearts like an empty room
And well never know how to help them until, Father, we listen to You
Weve got a love calling, a love calling
Oh, weve got a love calling cause we hear love calling
Like the rustle of an autumn breeze
I can hear You whisper inside of me
And I know, in my heart of hearts I do believe
Now Im thanking You for giving me
A love calling, oh, a love calling
Oh, weve got a love calling cause we hear love falling
Calling for a new vision, oh, a heart mission
Oh, and its drawing, its drawing us cause we hear love calling
(Love calling) Do you hear His love calling?
Do you give yourself away?
Oh, do you feel He's drawing you nearer?
Do you feel Him drawing near you?
