And it's going down like a fire drill  
Came a long way, now we pioneers  
And we still running shit, call it diarrhea  
Coming up together like them good fellas  
Heart through the loop[?]  
Hold it down, keep it trill in these streets  
Back to the roof  
Anywhere, anytime I got your back like a spine  
My homies never left behind  
My whole team get to shine  
No [?] ?? that's why we're blowing up  
That's why we rolling up  
Drinking till we throw up  
The way we get this cheddar, there ain't nobody better  
Write our names in the sky cause we gon live forever  
Live forever, man!We're gonna live forever (Live forever)  
We're gonna live forever (Live forever)  
We're gonna live for  
We're gonna live for  
We're gonna live for  
We're gonna live for  
We're gonna live for  
We're gonna live forLife of the party, Patron and Bacardi  
Get faded, get sloppy, and all up in a chick's body

Came up with the people that's real, then get to the meal  
No lacking, we all together, that's just how it is  
I'm throwed like a strike out, shine brighter than a lighthouse  
Crib bigger than the White House, go against my team, get wiped out  
Got them choppers like troopers, don't make split your wig  
My lil' homie left up in, he'll smoke you like a cig We're gonna live forever (Live forever)
