The Last Letter

A.P. Carter Family

Sitting alone up in your empty room
In the stillness of the night
Where all the many dreams that used to carry you
Are no longer in sightYou put your feelings down in black and white
A sad, disturbing reply
That you don't really want to face another night
So you're saying goodbye
But do you know that you're saying goodbye
To a lifetimeWell, I've got to tell you there's another way
To be free to be complete
But, you've got to make it through another day
And deny your own defeat
(Don't give in)And I'm here to tell you there's another way
To consume a hungry heart
All the love you need is just a prayer away
Let it in to where you areYou've made it to the edge of seventeen
Thinking now you've reached the end of the line
But there's so much of life that you have never seen
Now you won't have the timeYou say that you don't hear the music play
So you're ready to give up the dance
Now that nothing really matters anywayOh, you give up your chance
But do you know that you give up your chance
At a lifetimeWell, I've got to tell you there's another way
To be free to be complete
But you've got to make it through another day
And deny your own defeat
(Don't give in)And I'm here to tell you there's another way
To consume a hungry heart
Jesus is waiting just a prayer away
Let him in to where you areYou put your feelings down in black and white
A sad, disturbing reply
That you don't really want to face another night
So you're saying goodbye
But do you know that you're saying goodbye
To a lifetimeWell, I've got to tell you there's another way
To be free to be complete
But you've got to make it through another day
And deny your own defeat
(Don't give in)And I'm here to tell you there's another way

To consume a hungry heart
Jesus is waiting just a prayer away
Let him in to where you are
