

Diamonds (Bonus Version)

Los Lonely Boys

I'm looking at a rainbow
Way out across them hills
And my baby's love is with me
And I know that it's for real I ain't got no diamonds
And girl, you know I ain't got no gold, yeah
I ain't never been a rich man
But girl, I got you here to hold We dance out here in the moonlit sky
But it pales beside her light
And she puts her arms around me
Hey, I'll tell her it's alright I ain't got no diamonds
Girl, you know I ain't got no gold
I ain't never been a rich man
But girl, I got you here to hold When you find one thing that matters
And that moment, you will see
Far beyond our selfish wonders
Love is simple, love is free I ain't got no diamonds
Girl, you know I ain't got no gold, no, baby
I ain't never been a rich man
But girl, I got you here to hold I ain't got no diamonds
I ain't got no gold
I ain't got no gold
But I have you, love you, darling
