

This is who we are

Di-rect

These days we live in, feel broken.
Will we reach our destination?
All eyes are open, but they're bleeding.
Must be more than this to believe in.Ooooh, this is who we are, this is who we are,
ooooh, this is who we are.No time for sorrow, no reason.
Nothing's real we're only dreaming.
No war tomorrow, it's illusion.
Welcome to my revolution.Ooooh, this is who we are, this is who we are,
ooooh, this is who we are.Oh, we live, we die, we fall down.
We catch a fall and resist.
Say this is who we are.These days we live in, feel broken.
But we will reach our destination.Ooooh, this is who we are, are , are, this is who we are,
ooooh, this is who we are.Ooooh, this is who we are. (6x)
