

# Sonny Boy

## Jan Garber

Climb up on my knee Sonny Boy  
Though you're only three Sonny Boy  
    You've no way of knowing  
    There's no way of showing  
What you mean to me Sonny BoyWhen there are gray skies  
    I don't mind the gray skies  
    You make them blue Sonny Boy  
        Friends may forsake me  
        Let them all forsake me  
I still have you Sonny BoyYou're sent from heaven  
    And I know your worth  
    You made a heaven  
For me here on earthWhen I'm old and gray dear  
    Promise you won't stray dear  
For I love you so Sonny BoyWhen there are gray skies  
    I don't mind gray skies  
    You make them blue Sonny Boy  
        Friends may forsake me  
        Let them all forsake me  
I still have you Sonny BoyYou're sent from heaven  
    And I know your worth  
    You've made a heaven  
For me here on earthAnd the angels grew lonely  
    Took you because they were lonely  
    I'm lonely too, Sonny Boy
