Before I Do

Sevyn Streeter

I heard about, you and your other situation
Through word of mouth
They made it seem so complicated
Is it over now?
Or did you just say it 'cause you're anxious?
To get closer now
'Cause I want you to be, all over meTruthfully (Truthfully)
Honestly (Honestly)
I need, I need, I need to believe
I wanna let go, but I don't really know
I heard you got a girlfriend
Say it ain't so, you ain't on the low
I don't think I could handle it
I wanna go, to another level, with youBut before I do
I wanna know before I go there with you
Oh yeah, so tell me you're through
I need to know before I go there with youI heard about, heard all about your reputation
You know word gets around
Tell me you got a explanation
'Cause I need to know
Is it nothing?
Is it something?
Ohh, just keep it real with meTruthfully (Truthfully)
Honestly (Honestly)
I need, I need, I need to believe
I wanna let go, but I don't really know
I heard you got a girlfriend
Say it ain't so, you ain't on the low
I don't think I could handle it
I wanna go, to another level, with youBut before I do
I wanna know before I go there with you
Oh yeah, so tell me you're through
I need to know before I go there with youIt's unfair, cause baby in my mind, ohh
We should be together, whoa
I wanna let go, but I don't really know
I heard you got a girlfriend
I'm tryna go, to another level, with youBut before I do
I wanna know before I go there with you
So tell me you're through

I need to know before I go there with youYeah
Yeah, yeah
Yeah, yeah
Yeah, yeah...
