Breakdown Into the Resolve

Ryan Adams

Hi, hello, its me again, don't worry I'll talk slow
Wow, you probably heard I went away
Where do we start from?I know
From the breakdown, into the fold
The breakdown, another black hole
Like a shadow in the light,
Stand up and be counted
I was born to be betrayed,
It's clear that I'm clearly afraid ofSo its one for every year
Its pitiful what I hold dear, I throw away
And so, it still comes and goes
It's better now, that I get these bad ideas,
I get my dreams confused, wishes
Bad ideas, bad ideas to lie me down and get into the resolve
I forgot, how long it was since I had a thought that wasn'tDark yet I know I hate myself a lot
The breakdown into the fold
Breakdown, another black hole
Like a shadow in the night
The shows over shows overI was born to be afraid, alright
And so,
Its one for every year its pitiful what I hold dear,
I throw away
No, it still comes and goes
It's better but I get these bad ideas
I get my dreams confused with my wishesBad ideas
Bad ideas
To lie me down and get into the resolve
Do the resolve, do the resolve
Do the resolve, do the resolve
Do the resolve, do the resolve
