

I Don't Love You No More

Hotrods

wooooooooooooooooooooo

yeahh

ohhh yeahhh alrightthere is something, that I want to say

listen i am never coming back

don't get in my wayyou done me wrong, hurt me so bad

but this is so alone

is free

I don't love you no more

please give me a chance

I don't love you no morejust look around

.....

I don't love you no moreyou told all your friends

that your

how you rock my soul around

and you do as you please

I think about it all the time

how you are supposed

standing with your loving

and then you go homeI got to tell you

i don't love you no more

I am ashamed

I became

but the pressure you cameoh no

oh no

the pain can't hurt me no more

I have done my best

take it like that

this

is

crazy situation

and I can't stop

and it is going down

and we have been waitingI dont love you no more!

I dont love you no more!

I have to tell you

I don't love you no more!You are a bad bad woman

keep on shaking that thang

you will seeI dont love you no more!

I dont love you no more!

I have to tell you
I don't love you no more!
