

# You've Got A Friend In Me

[Lyle Lovett](#)

You've got a friend in me, you've got a friend in me  
When the road looks rough ahead  
And you're miles and miles from your nice warm bed  
You just remember what your old pal said  
Boy, you've got a friend in me  
Yeah, you've got a friend in me  
You've got a friend in me, you've got a friend in me  
If you've got troubles, I've got 'em too  
There isn't anything I wouldn't do for you  
We stick together and can see it through  
'Cause you've got a friend in me  
You've got a friend in me  
Some other folks might be a little bit smarter than I am  
Bigger and stronger too, maybe  
But none of them will ever love you  
The way I do, it's me and you  
Boy and as the years go by  
Our friendship will never die  
You're gonna see, it's our destiny  
You've got a friend in me  
You've got a friend in me  
You've got a friend in me
