

Rain Song

P.J. Olsson

Bring rivers in this wasteland
Clouds into this sky
Bring springs of life into the wells
That have been run dry
Rise up in this city
Gather in this light
Fall down on Your people
Your glory and Your life
Rain, Lord we thirst for water
Rain, we are desert land
Rain, on Your sons and daughters
Rain, bring Your rain again
Speak dreams into this water
And vision to this land
That oceans be divided
And bring forth life again
Rise up in this city
Gather in this light
Fall down on Your people
Your glory and Your life
Rain, Lord we thirst for water
Rain, we are desert land
Rain, on Your sons and daughters
Rain, bring Your rain again
Rain, Lord we thirst for water
Rain, we are desert land
Rain, on Your sons and daughters
Rain, bring Your rain again
Let the tide roll in
Washing over our lives
And let Your water fall again
Bring rivers in this wasteland
Clouds into the sky
Rain, Lord we thirst for water
Rain, we are desert land
Rain, on Your sons and daughters
Rain, bring Your rain again
Rain, Lord we thirst for water
Rain, we are desert land

Rain, on Your sons and daughters
Rain, bring Your rain again
 Bring Your rain again
 Let Your water fall down
 Bring Your rain again now
 Bring Your rain again
 Let Your water fall down
 Bring Your rain again now
