

Stand

Blues Traveler

Stand, stand and walk
Tragedy is cheap and so is talk
The decision yours to make, what will you do?
In the end it comes back to you
'Cause it's a long way to fallThunder, don't scare me at all
Lightning, well just a little
Pressure, it ain't worth a dime
And your wounds, they'll all heal in time
'Cause it's a long way to fallThe answers are getting harder
The answers are getting harder
The answers are getting harderThe answers are getting harder
(If an answer comes to those who pray)
(Comes to those who pray)
The answers are getting harder
(If an answer comes to those who pray)
(Comes to those who pray)The answers are getting harder and harder
(If an answer comes to those who pray)
(Comes to those who pray)
And there ain't no way to bargain or to barter
But if you've got the angst you got the ardor
You might faint from the fight but you're gonna find itFor every challenge could have paradise behind it
And if you accept what you have lost and you stand tall
You might just get it back and you can get it all
So now you know why it's a long way to fall
Yeah 'cause it's a long way to fall, it's a long way to fallSo stand, stand and walk
Stand
