

# All I Want Is You (feat. J. Cole)

Miguel

[J.Cole:]

Damn, cold world

I never thought I see that day that you're my old girl

Now I'm stuck here hollering at old girl

Got one, got two, three four girls

Shotgun in the drop made a right

Hut one, hut two, told them niggas take a hike

Then it's on to the next one, on, on to the next one

Hard to move on when you always regret one[Miguel:]

I wonder sometimes

I wonder if I was wrong

Tryna do right by you got me here

Now all I am is aloneCause her eyes

And those hips

And that (ass)

Don't compare, at all (no)

And at best, all they do is distract me

But now, deep down, when I face it[Chorus:]

All I want is you

All I want is you (now)

All I want is you now

Now that you're gone, gone, gone[Verse Two:]

Cause being a friend was killing me softly

Hear voices

Wondering where I went wrong

It was my fault, in the wrong time,

I wonder so often, regret get exhaustedCause her eyes

And those hips

And that (ass)

Don't compare, at all (no)

And at best, all they do is distract me

But now, deep down, when I face it[Chorus:]

All I want is you (mhm)

All I want is you (now)

All I want is you now (baby)

Now that you're gone, gone, gone, gone, gone[Bridge:]

Cause they don't smile

Or smell like you

No they don't make me laugh

Or even cook like you  
And they don't photograph  
Nah, they don't sex like you  
Let's face it, I can't replace it  
That's why all I want is you now...[J.Cole:]  
I hit the club when you left me thinking that could heal  
Trying to celebrate my Independence Day, Will Smith  
Baby gurl who I'm kidding  
Still sick, real shit  
All my new bitches seem to get old real quick  
And could it be you everything these plain bitches couldn't be  
Is it a sign from the Lord that I shouldn't be  
Lost in the Player way sorta get old to me  
Got me on layaway, girl you gotta hold on me  
I say I'm wrong, you say come again  
Damn, said I was wrong look don't rub it in  
I got a lot on my mind  
Got a flock full of dimes  
Like a line full of hoes,  
Look how they coming in  
Just saying  
You don't wanna have me then somebody will  
I'm playing  
Weight on my chest like I body build  
I'm praying  
You ain't content with trying to do your thang  
Hey come back baby boomerang[Miguel:]  
That's why  
All I want is you now (mhhm)  
All I want is you now (yeah)  
All I want is you now (sugar)  
Now that you're gone, gone, gone, gone  
You know that you're gone (I want you back)
