All of the People (RAC Remix)

Panama Wedding

I said Babe
well aren't we a little bit old now
for this crazy game?
Is it safe now
that winter's gone?
But I think we could use a little memory
to add to the database.I saved a little bit of money
I put it in a vault
hidden behind the face on the red room wall.
I took everything I wanted
I took everything I need
all in a day
or maybe they just want me to leave.All of the people
all of the people stand
standing to wait
waiting for the concrete to break.
All of the people
all of the people take
take it away
you know maybe you just made me believe.And the days
the days feel a little bit longer now
and the morning's bright.
If we escape now
and leave this place
I hope heaven has another open door for us
when the day is getting late.I saved a little bit of money
I put it in a vault
hidden behind the face on the red room wall.
I took everything I wanted
I took everything I need
all in a day
or maybe they just want me to leave.All of the people
all of the people stand
standing to wait
waiting for the concrete to break.
All of the people
all of the people take
take it away
you know maybe you just made me believe.Woke up late still half asleep

but the airport line out in the street.
Baby I know you wanted to stay
but the weekend rush won't let us wait.
Woke up late still half asleep
but the airport line out in the street.
Baby I know you wanted to stay
but the weekend rush won't let us wait.All of the people
all of the people stand
standing to wait
waiting for the concrete to break
All of the people
all of the people take
take it away
you know maybe you just made me believe
