

Losing My Mind

Pet Shop Boys

The sun comes up, I think about you
The coffee cup, I think about you
I want you so, it's like I'm losing my mind
The morning ends, I think about you
I talk to friends and think about you
And do they know it's like I'm losing my mind?
All afternoon doing every little chore
The thought of you stays bright
Sometimes I stand in the middle of the floor
Not going left, not going right
I dim the lights and think about you
Spend sleepless nights to think about you
You said you loved me or were you just being kind?
Or am I losing my mind?
All afternoon doing every little chore
The thought of you stays bright
Sometimes I stand in the middle of the floor
Not going left, not going right
I dim the lights and think about you
Spend sleepless nights to think about you
You said you loved me or were you just being kind?
Or am I losing my mind?
Or am I losing, losing my mind?
You said you loved me or were you just being kind?
Or am I losing my mind?
Were you just being kind?
Or am I losing my mind
Losing my mind, losing my mind?
