

# Marrakech (Spacek Remix)

## Incognito

It's close to midnight  
Packed my bags and I'm leaving  
Ride the night train  
To where I know You're gonna be waiting And yesterday will fade like snow in the sunlight  
Melt away from my memory  
Through the darkness until I feel the light's caress  
I'm on my way to the streets of Marrakech The room is crowded  
I can feel my body heat rising  
Above the voices  
The echoes of a train approaching A colorful parade like flames in the dark night  
Leads the way to my fantasy  
Through the darkness until I feel the light's caress  
I'm on my way to the streets of Marrakech And yesterday will fade like snow in the sunlight  
I'm on my way; yes I'm on my way  
I'm on my way to the streets of Marrakech Marrakech  
The streets of Marrakech  
Marrakech  
The streets of Marrakech
