

Red Sails In the Sunset

Fats Domino

Red sails in the sunset, way out on the sea

Oh, carry my loved one, home safely to meShe sailed at the dawning, all day I've been blue

Red sails in the sunset, I'm trusting in youSwift wings we must borrow, make straight for the shore, oh yeah

We'll marry tomorrow and you go sailing no moreRed sails in the sunset, way out on the sea

Oh, carry my loved one, home safely to meOh yeah

We'll marry tomorrow and you go sailing no moreAnd red sails in the sunset, way out on the sea

Oh, carry my loved one, home safely to me
