

I Only Have Eyes for You

[Billie Holiday](#)

Are the stars out tonight?
I dont know if its cloudy or bright
Cause I only have eyes for youThe moon may be high
Maybe, millions of people go by
But I only have eyes for youI dont know if were in a garden
Or on a crowded avenue
You are here, so am IMaybe millions of people go by
But they all disappear from view
And I only have eyes for youI dont know if were in a garden
Or on a crowded avenue
You are here, so am IMaybe millions of people go by
But they all disappear from view
And I only got eyes, big bulging eyes
Great big eyes for you
