I Wish You Well

The Mavericks

This is where the road divides
This is where we have to say goodbye
Say goodbyeAfter all that we've been through
How I wish for more than this to say to you
This to say to youHere's to all the good times
That we've ever known
To the memories
Yours and mine aloneNow you lie before me
Like a star that fell
Oh I wish you well
Oh I wish you well
