

Forbidden Fruit

Jessica Simpson

There's a game you want to play
There's a risk you'd like to take
I'm scared it'll lead to tears
Patience boy and I will decide
If a kiss is sweet enough
If I want to feel your touch
You should know
I can read your mind
If the deal is worth the pain
If you just won't die of shame
But I am tempted to try[Chorus]
If you taste this fruit you're forbidden to eat
You and drink this wine from a love so deep
I'd dance for you, let you come within
If you swear to me that it ain't a sin
There's a world you want to know
There's a place you want to go
Take your time and it will delight
Smell of spices everywhere
There are mysteries to share
Be gentle boy and I will not
Will not fight[Chorus]Oh yeah
Oh
Oh if ya
Oh if ya swear to me[Chorus]Taste it
So deep
I want to dance for you
Come on and taste it
Come on and taste it[Chorus]
