

Embraced

Bombshell Rocks

Can't explain the feeling
'Cuz it comes from deep inside
But I know you can't deny the power There's no way, no, there's no way
This feeling can be denied
Makes me wanna stay for another hour Can't explain the feeling
But it's bigger than anything else
It's my shelter, it's where I hide at stormy weather Put on a record
At a thousand decibel
Puts the pieces back together Hey, I hope the feeling stays
It's like a lovers sweet embrace
I'm right here so come and get me Hey, I hope the feeling stays
It's like a lovers sweet embrace
I'm right here so come and get me Hey, I hope the feeling stays
It's like a lovers sweet embrace
I'm right here so come and get me Hey, I hope the feeling stays
It's like a lovers sweet embrace
I'm right here so come and get me Hey, I hope the feeling stays
It's like a lovers sweet embrace
I'm right here so come and get me
It's like a lovers sweet embrace
I'm right here so come and get me
