

# Sabbath Bloody Sabbath

## Ozzy Osbourne

You've seen life through distorted eyes  
You know you had to learn  
The execution of your mind  
You really had to turn  
The race is run the book is read  
The end begins to show  
The truth is out, the lies are old  
But you don't want to know Nobody will ever let you know  
When you ask the reasons why  
They just tell you that you're on your own  
Fill your head all full of lies The people who have crippled you  
You want to see them burn  
The gates of life have closed on you  
And now there's just no return  
You're wishing that the hands of doom  
Could take your mind away  
And you don't care if you don't see again  
The light of day Nobody will ever let you know  
When you ask the reasons why  
They just tell you that you're on your own  
Fill your head all full of lies Where can you run to  
What more can you do  
No more tomorrow  
Life is killing you  
Dreams turn to nightmares  
Heaven turns to hell  
Burned out confusion  
Nothing more to tell Everything around you  
What's it coming to  
God knows as your dog knows  
Bog blast all of you  
Sabbath Bloody Sabbath  
Nothing more to do  
Living just for dying  
Dying just for you
