

Jimmy Eat World

I felt for sure last night
 That once we said goodbye
 No one else will know
 These lonely dreams
 No one else will know
 That part of me I'm still drivin' away
 And I'm sorry everyday
 I won't always love
 These selfish things
 I won't always live
 Not stoppin' It was my turn to decide
 I knew this was our time
 No one else will have me
 Like you do
 No one else will have me
 Only you You'll sit alone forever
 If you wait for the right time
 What are you hopin' for?
 I'm here, I'm now, I'm ready
 Holdin' on tight
 Don't give away the end
 One thing that stays mine Amazing still it seems
 I'll be twenty three
 I won't always love
 What I'll never have
 I won't always live
 In my regrets You'll sit alone forever
 If you wait for the right time
 What are you hopin' for?
 I'm here, I'm now, I'm ready
 Holdin' on tight
 Don't give away the end
 One thing that stays mine You'll sit alone forever
 If you wait for the right time
 What are you hopin' for?
 I'm here, I'm now, I'm ready
 Holdin' on tight
 Don't give away the end
 One thing that stays mine You'll sit alone forever

And wait for the right time
What are you hopin' for?
I'm here, I'm now, I'm ready
Holdin' on tight
Don't give away the end
One thing that stays mine
