# Black Cab

## Jens Lekman

Oh no, Goddamn
I missed the last tram
I killed a party again
Goddamn, Goddamn
I wanna sleep in my bed
I wanna clean up my head
Don't wanna look this dead
Don't wanna feel this dreadI killed a party again
I ruined it for my friends
Well you're so silent Jens
Well maybe I am, maybe I amNow at the central station
No time for being patient
I feel like going home
But at the same time I don'tBlack cab, black cab
Black cab, black cab
Black cab, black cab
Black cab, black cabAnd I've heard all the stories
'bout the black cabs and the way they drive
But if you take a ride with them
You may not come back aliveThey might be psycho killers
But tonight I really don't care
So I say turn up the music
Take me home or take me anywhereBlack cab, black cab
Black cab, black cabYou don't know anything
So don't ask me questions
You don't know anything
So please don't ask me any questions
You don't know anything
So don't ask me questions
Just turn the music up
And keep your mouth shutBlack cab, black cab
Black cab, black cab
