Teacher, Teacher

Johnny Mathis

Teacher, teacher
There's so much I'm longing to know
Cause my heart has been all aglow
From the moment we met
Teacher, make me, make me
Make me the teacher's petTeacher, teacher
Educate me with a caress
Teach me nothing less than a lesson
I'll never forget
Teacher, make me, make me
Make me the teacher's petI read more in your loving eyes
Than in any book from the shelf
I don't have to tell you
You're in a class by yourselfKiss me, kiss me
After that, please kiss me again
Show me all that special attention
You'll never regret
Cause I'll do my home work diligently
Till we're both at least a hundred and three
Teacher, hold me, kiss me
Make me the teacher's petI read more in your loving eyes
Than in any book from the shelf
I don't have to tell you
You're in a class all by yourselfKiss me, kiss me
After that, please kiss me again
Show me all that special attention
You'll never regret
Cause I'll do my home work diligently
Till we're both at least a hundred and three
Teacher, hold me, kiss me
Make me the teacher's pet!Show me that you love meOh, teacher, make me your pet!
