Feels Like Woah

Wes Carr

Wo oh oh oh oh woah
Wo oh oh oh oh woahI was just out of school when she was twenty-two
It was only one night and no-one never knew
Never saw her again, but that was alright
It was just for a while, but it felt likeWo oh oh oh oh woah
Wo oh oh oh oh woahTook the money she saved and bought an old car
Threw her back on the seat and drove into the stars
All she wanted to do was see the sun rise
When it lit up the sky, you know she felt likeWo oh oh oh oh woah
Wo oh oh oh oh woahStand up, hold on, let go, shout out
Dont barf, free fall, begin right now
Get lost, get loud, wake up, break out
Dont stop till it feels likeWo oh oh oh oh woah
Wo oh oh oh oh woahHe was only a kid when he joined up
They told him, Son, be a man, but thats not what he was
They put the gun in his hand and told him who to fight
When he got back home, you know it felt likeWo oh oh oh oh woah
Wo oh oh oh oh woahStand up, hold on, let go, shout out,
Dont barf, free fall, begin right now,
Get lost, get loud, wake up, break out,
Dont stop till it feels likeWo oh oh oh oh woah
Yeaaah
Wo oh oh oh oh woah
Dont stop till it feels like
Wo oh oh oh oh woah
Wo oh oh oh oh woahYeah, stand up, hold on, let go, shout out
Dont barf, free fall, begin right now
Get lost, get loud, wake up, break out
Dont stop till it feels like
