

# Drip

## Evian Christ

shout shout let it all out these are the things i can do without so come on im  
talkin to you so come on you know your beaten when your legs are stiff your lips are frozen i but a nut  
on your tits chorus-  
i will kill you i want to kill you get with her and then your dead i will  
kill you i want to kill you cut off your not and glue them to your head your just insane i made your death  
bed...as i listen to the dripping water i make believe that i never forgot her  
leaving me to burn in the fire as i listen to the dripping water (chorus) i am dead now your are dead now i am  
dead now we are dead now
