

Not Afraid

Eminem

I'm not afraid, I'm not afraid
To take a stand, to take a stand
(Yeah, it's been a ride)
Everybody, everybody
(I guess I had to)
Come take my hand, come take my hand
(Go to that place to get to this one) We'll walk this world together through the storm
(Now some of you)
Whatever weather, cold or warm
(Might still be in that place)
Just lettin' you know that you're not alone
(If you're tryin' to get out)
Holla if you feel like you've been down the same road
(Just follow me, I'll get you there) You can try and read my lyrics off of this paper before I lay 'em
But you won't take the sting out these words before I say 'em
'Cause ain't no way I'ma let you stop me from causing mayhem
When I say I'ma do something, I do it, I don't give a damn what you think I'm doin' this for me, so fuck the
world
Feed it beans, it's gassed up if it thinks it's stopping me
I'ma be what I set out to be, without a doubt, undoubtedly
And all those who look down on me, I'm tearing down your balcony No if, ands, or buts, don't try to ask him
why or how can he
From "Infinite" down to that last "Relapse" album
He's still shittin' whether he's on salary, paid hourly
Until he bows out or he shits his bowels out of him Whichever comes first, for better or worse
He's married to the game, like a fuck-you for Christmas
His gift is a curse, forget the earth, he's got
The urge to pull his dick from the dirt and fuck the whole universe I'm not afraid, I'm not afraid
To take a stand, to take a stand
Everybody, everybody
Come take my hand, come take my hand We'll walk this route together through the storm
Whatever weather, cold or warm
Just lettin' you know that you're not alone
Holla if you feel like you've been down the same road Okay, quit playin' with the scissors and shit and cut the
crap
I shouldn't have to rhyme these words in a rhythm for you to know it's a rap
You said you was the king, you lied through your teeth
For that fuck your fillings, instead of getting crowned you're getting capped And to the fans, I'll never let you
down again, I'm back

I promise to never go back on that promise, in fact
Let's be honest, that last "Relapse" CD, was "eh"
Perhaps I ran them accents into the ground Relax, I ain't goin' back to that now
All I'm tryin' to say is get back, click clack, pow
'Cause I ain't playin' around, it's the game called circlin'
I don't know how, I'm way too rough to back down But I think I'm still tryin' to figure this crap out
Thought I had it mapped out, but I guess I didn't
This fucking black cloud still follows me around
But it's time to exorcise these demons, these motherfuckers are doing jumping-jacks now I'm not afraid, I'm not
afraid
To take a stand, to take a stand
Everybody, everybody
Come take my hand, come take my hand We'll walk this route together through the storm
Whatever weather, cold or warm
Just lettin' you know that you're not alone
Holla if you feel like you've been down the same road And I just can't keep living this way
So starting today, I'm breaking out of this cage I'm standing up, I'ma face my demons
I'm manning up, I'ma hold my ground
I've had enough, now I'm so fed up
Tryin' to put my life back together right now It was my decision to get clean, I did it for me
Admittedly, I probably did it subliminally for you
So I could come back a brand new me, you helped see me through
And don't even realize what you did, believe me you I've been through the ringer, but take it through little to the
middle finger
I think I got a tear in my eye, I feel like the king of
My world, haters can make like bees with no stingers
And drop dead, no more beef flingers No more drama, from now I wanna promise to focus only
On handlin' my responsibilities as a father
So I solemnly swear to always treat this roof like my daughters
And raise it, you couldn't lift a single shingle on it 'Cause the way I feel, I'm strong enough to go to the club
Or the corner pub and lift the whole liquor counter up
'Cause I'm raisin' the bar, I shoot for the moon
But I'm too busy gazin' at stars I feel amazin' And I'm not afraid, I'm not afraid
To take a stand, to take a stand
Everybody, everybody
Come take my hand, come take my hand We'll walk this route together through the storm
Whatever weather, cold or warm
Just lettin' you know that you're not alone
Holla if you feel like you've been down the same road
