

# Smash It Up (Alternate)

## The Damned

We've been crying now for much too long  
And now we're gonna dance to a different song  
I'm gonna scream and shout til my dying breath  
I'm gonna smash it up til there's nothing left Oh oh smash it up, smash it up, smash it up  
Oh oh smash it up, smash it up, smash it up People call me villain oh its such a shame  
Maybe its my clothes must be to blame  
I don't even care if I look a mess  
Don't want to be a sucker like all the rest Oh oh smash it up, smash it up, smash it up  
Oh oh smash it up, smash it up, smash it up Smash it up [Repeat: x5] Smash it up, you can keep your Krishna  
burgers  
Smash it up, and your Glastonbury hippies  
Smash it up, you can stick your frothy lager  
Smash it up, and your blow wave hairstyles And everybody's smashing things down  
I said everybody's smashing things down yeah
