

Darkside Of The Sun

Tokio Hotel

Hello!

Hello!

On the tv,
In your face,
on radio-oh

Its a riot,
Its a riot,
They say no, oh

You are frantic,
Don't you panic,
Let it go-oh

We are, we are, we are

In the cities,
On the streets,
Around the globe-oh

They turn
anything you love
into verbot-oh

From the cradle,
To the grave part,
Of the show oh

We are, we are, we are
Radio hysteria

Hello!

The end is near

Hello!

We're still standing here

The Futures just begun

on the dark side of the sun
on the dark side of the sun

HELLO!
HELLO!

All the weapons
in your head
all out of control-oh

With their radars
they are chasin'
our soul-oh

Time is running
but your future's
Long ago-oh

We are, we are, we are
Radio hysteria

Hello!
The end is near

Hello!
We're still standing here

The Futures just begun
on the dark side of the sun
on the dark side of the sun
on the dark side of the sun
on the dark side of the sun!

Will you stand the pain?
When I'm by your side
Will you follow me into the night?

They're not gonna get us
We'll be alright.

And one day
The dark side will
shine

For us!

For us!

HELLO!

The end is near

Hello!

Were still standing here
The Futures just begun
on the dark side of the sun
on the dark side of the sun
on the dark side of the sun
on the dark side of the sun!
