

Indiscipline

King Crimson

I do remember one thing
It took hours and hours but
By the time I was done with it
I was so involved, I didn't know what to think I carried it around with me for days and days
Playing little games
Like not looking at it for a whole day
And then, looking at it to see if I still liked it
I did I repeat myself when under stress
I repeat myself when under stress
I repeat myself when under stress
I repeat myself when under stress
I repeat The more I look at it, the more I like it
I do think it's good
The fact is No matter how closely I study it
No matter how I take it apart
No matter how I break it down
It remains consistent
I wish you were here to see it I like it
