Indiscipline

King Crimson

I do remember one thing

It took hours and hours but By the time I was done with it I was so involved, I didn't know what to thinkI carried it around with me for days and days Playing little games Like not looking at it for a whole day And then, looking at it to see if I still liked it I didI repeat myself when under stress I repeatThe more I look at it, the more I like it I do think it's good The fact is No matter how closely I study it No matter how I take it apart No matter how I break it down It remains consistent I wish you were here to see itI like it
