Accelerator

Dwarves

On the freeway, riding with me babe
You take your life in your hands
It's not I'm reckless or riding neckless, man
It's just the way that I am
With my pedal to the metal on the floor
The devil himself is keeping score
Keep your eye on the rider in the sky
If you need a little more
They call me Accelerator
Accelerator, AcceleratorAnd you know I'm riding right out of control
Master of a thing called rock'n'roll
Listen to me go with the rhythmatic flow
And I never take it slow, oh no
They call me Accelerator
Accelerator, Accelerator
They call me Accelerator
Accelerator, Accelerator, Accelerator
