

# Everlasting God

## Maranatha! Instrumental

Strength will rise as we wait upon the Lord

    We will wait upon the Lord

    We will wait upon the Lord

    Our God, You reign forever

    Our hope, our Strong Deliverer

    You are the everlasting God

        The everlasting God

        You do not faint

        You won't grow weary

    Our God, You reign forever

    Our hope, our Strong Deliverer

    You are the everlasting God

        The everlasting God

        You do not faint

        You won't grow weary

    You're the Defender of the weak

        You comfort those in need

    You lift us up on wings like eagles
