

Stuck on You

Paramore

I heard you driving in my car then in a frozen bar
And I claimed I didn't care for you
But your verse got trapped inside my head
Over and over again, you played yourself to death in me I thought I'd drop you easily but that was not to be
You burrowed like a summer tic
So you invade my sleep and confuse my dreams
Turn my nights to sleepless itch Stuck on you till the end of time
I'm too tired to fight your rhyme
Stuck on you till the end of time
You've got me paralyzed Holding on the telephone, I hear your midrange moan
You're everywhere inside my room
Even when I'm alone I hear your mellow drone
You're everywhere inside of me Stuck on you till the end of time
I'm too tired to fight your rhyme
Stuck on you till the end of time
You got me trapped inside I can't escape your incessant whine
When you beam it out all across the sky No, I can't escape
(Stuck on you till the end of time)
Your insipid rhyme
(I'm too tired to fight your rhyme)
When you shoot it deep
(Stuck on you till the end of time)
Straight into my mind
