Tears (Max Payne 3 Soundtrack)

Health

Love, save us once
We'll fall from where weï»¿ crawled
Love, save us once
Beware what you wantTrust us now
It's time to let me go
Give up on us
Follow what you want
Trust us now
It's time to let me go
Give up
Give our soul awayNow you will go
Save us once
You'll never let go
Where we crawled
Your memories are wrong
Save us once
You'll never wake up
What you thought you wantTrust us now
It's time to let me go
Give up on us
Follow what you want
Trust us now
It's time to let me go
Give up
Give our soul away
