

# Long in the Tooth

Billy Joe Shaver

Long in the tooth, long in the tooth  
Tryna tell ya I'm long in the tooth  
What I use to do all night, now takes all night to do But the women folk don't complain  
Cause I still got a young man's brain  
I still do more than most men do  
I'm telling you women I'm long in the tooth (Chorus)  
Long in the tooth  
Long in the tooth  
I'm telling you folks I'm long in the tooth  
I used to go bear huntin with a switch  
Sleep all week with the same old witch  
I put that grisly over my knee  
But I'm not the man I used to be (Verse 2)  
Long in the tooth, long in the tooth  
I'm telling you telling I'm long in the tooth  
I had an alligator kiss my ass  
It's mostly luck he's runnin' that fast Showed him a thing or two  
I'm wearin alligator vest, eatin alligator stew (Chorus)  
Long in the tooth  
Long in the tooth  
I'm telling you children I'm long in the tooth  
Throw that football a country mile  
Leave all the women with a satisfied smile  
I used to be so wild and free  
Sometimes I wonder what happened to me (Interlude)  
Long in the tooth, long in the tooth  
I'm telling you children I'm long in the tooth  
Long in the tooth, long in the tooth  
I'm telling you woman I'm long in the tooth (Instrumental break) (Verse 3)  
Time did a number on me, I ain't the man I used to be  
Running at speed but I'm little at motion  
Live up to all them stories been told (Interlude x2)  
Long in the tooth, long in the tooth  
I'm telling you children I'm long in the tooth  
Long in the tooth, long in the tooth  
I'm telling you woman I'm long in the tooth  
Long in the tooth, long in the tooth  
I'm telling you children I'm long in the tooth  
Long in the tooth, long in the tooth

I'm telling you folk I'm long in the tooth

Long in the tooth, long in the tooth

Long in the tooth, long in the tooth

Long in the tooth, long in the tooth

Long in the tooth, long in the tooth
