

Dead Man Walking (bonus track)

Fear Factory

All of you here that are secretly dead
Just a lifeless shells, consumed and bled
Oblivious season and you are blind
Follow the trend to share a single mind
You are so blind
You are so blind to the lie I can see, I can see into the void of your mind
Hiding behind eyes of black
A dead man I will find
Find! Find! Kneel to the savior who really cares less
His holy eyes fill you with fear and dread
Obey those rules from ancient history
Forgotten words that mean nothing to me
You are so blind
You are so blind
You are so blind to the lie I can see, I can see into the void of your mind
Hiding behind eyes of black
A dead man I will find
A dead man I will find
Find! Find!
