MYSTERIOUS WAYS (1991)

U2

Johnny take a walk
With your sister the moon
Let her pale light in
To fill up your room
You've been living underground
Eating from a can
You've been running away
From what you don't understand
LoveShe's slippy
You're sliding down
She'll be there
When you hit the groundIt's alright, it's alright, it's alright
She moves in mysterious ways
It's alright, it's alright, it's alright
She moves in mysterious waysJohnny take a dive
With your sister in the rain
Let her talk about the things
You can't explain
To touch is to heal
To hurt is to steal
If you want to kiss the sky
Better learn how to kneel (on your knees boy!)She's the wave
She turns the tide
She sees the man inside the child, yeahIt's alright, it's alright, it's alright
She moves in mysterious ways
It's alright, it's alright, it's alright
She moves in mysterious ways
It's alright, it's alright, it's alright
Lift my days, light up my nightsOne day you'll look back
And when you see
Where you were held
How by this love
While you could stand there
You could move on this moment
Follow this feelingIt's alright, it's alright, it's alright
She moves in mysterious ways
It's alright, it's alright, it's alright
She moves in mysterious ways
Ah oh oh ah huh

Move, move, move, move
She moves with it
She moves me like
Lift my days and light up my nights
Love
