

Forever Be Upstanding at the Door

Champs

I can be Your dust at the door
Instance city rust growing more and more and more
New York is easy all this days
The trouble is the trouble is the trouble always stay
So I became a wonder sleep on nine floors
And I will be upstanding at the door
I will be and ever win and ever I will be
Forever be upstanding at the door You only look a lie through the mist
Time is ticking family on my risk desire I buy
Oh what a lonely night to exist
The New York city sun has its heaven in the sky
So I became a wonder sleep on nine floors
And I will be upstanding at the door
I will be and ever win and ever I will be
Forever be upstanding at the door
UUuuUuUuUuUuuUUuU...
You pass me delicatly by
Trouble will definetly definetly definetly die for
Now I see an ocean in Your eye
The trobule in the ocean cause its trouble in the sky
So I became a wonder sleep on nine floors
And I will be upstanding at the door
And I will be and ever win and ever I will be
Forever be upstanding at the door UUuuUuUuUuUuuUUuU...
