

# This Girl

## Kylie Minogue

Take me as I am  
Though I'm good at pretending  
I tire easily  
And hurry to the ending There's more than what you see  
But not the way you see it  
I hope you follow me  
And you get the meaning Here is where I stand  
Here is who I am And I'm not interested in fitting in  
I only want to be, to be this girl  
I'm not interested in giving in  
I only want to be this girl Take me as you will  
Under no illusions  
I offer myself whole  
I give into you And I offer you the sky  
The sun and moon and seas  
But you need to know that I'm  
Not more or less than me Here is where I stand  
Here is who I am And I'm not interested in fitting in  
I only want to be, to be this girl  
I'm not interested in giving in  
I only want to be this girl I'm not interested in fitting in  
I only want to be, to be this girl  
I'm not interested in giving in  
I only want to be this girl This girl
