Swords

Anael

Danger in every corner
I have become pure water
I can identify, I close my eyesI wear my sword at my side
I wear my sword at my sideCleanse me deep in the fire
I have become pure waterI wear my sword at my side
I wear my sword at my sideI wear my sword at my side
I wear my sword at my sideI have become pure water
I have become pure water
I have become pure water
...
