

# Put a Little Love In Your Heart

## The Isley Brothers

Think of your fellow man, lend him a helping hand  
Put a little love in your heart  
You see, it's getting late, oh, please don't hesitate  
Put a little love in your heart

And the world will be a better place  
And the world will be a better place for you and me  
You just wait and see

Another day goes by, and still the children cry  
Put a little love in your heart  
If you want the world to know, we won't let hatred grow  
Put a little love in your heart

And the world will be a better place  
And the world will be a better place for you and me  
You just wait and see. Wait and see

Take a good look around and if you're lookin' down  
Put a little love in your heart  
I hope when you decide kindness will be your guide  
Put a little love in your heart  
And the world will be a better place  
And the world will be a better place for you and me  
You just wait and see  
Put a little love in your heart  
Put a little love in your heart
