

# Goodnight Sweetheart

**James Booker**

Good night sweetheart, till we meet tomorrow  
Good night sweetheart, sleep will banish sorrow  
    Tears and parting may make us forlorn  
But with the dawn, a new day is born (so I'll say)  
    Good night sweetheart, tho' I'm not beside you  
Good night sweetheart, still my love will guide you  
    Dreams enfold you, in each one I'll hold you  
Good night sweetheart, good nightGood night sweetheart, till we meet tomorrow  
    Good night sweetheart, sleep will banish sorrow  
    Tears and parting may make us forlorn  
    But with the dawn, a new day is born  
(so I'll say) Good night sweetheart, tho' I'm not beside you  
    Good night sweetheart, still my love will guide you  
    Dreams enfold you, in each one I'll hold you  
    Good night sweetheart, good night
