Tonight

KDrew

Oh girl if you
Could turn back the hands of time
And girl would you
Give me the peace of mind
And let me through-hoo-hoo-hoo
So I can try
To take us to-hoo-hoo-hoo
A different heightAnd so tonight
I-ma give you everything you wanna find
I hope tonight
You gon' give me everything you love inside
And so tonight
I-ma give you everything you wanna find
I hope tonight
You gon' give me everything you love insideOh girl if you
Could turn back the hands of time
(Could turn back the hands of time)
then girl would you
Give me the peace of mind
Oh
And let me through-hoo-hoo-hoo
So I can try
(So I can try, try, try)
To take us to-hoo-hoo-hoo
A different heightAnd so tonight
I-ma give you everything you wanna find
I hope tonight
You gon' give me everything you love inside
And so tonight
I-ma give you everything you wanna find
I hope tonight
You gon' give me everything you love insideAnd so tonight...
I hope tonight...Go with the flow if you know this is on your mind
No need to hurry, we know since you know this is what you like
so can we flow in the smoke if we hold between you and I
because the stranger chapered sweetness feels al-i-i-i-i-iveAnd so tonight
I-ma give you everything you wanna find
I hope tonight
You gon' give me everything you love inside

And so tonight
I-ma give you everything you wanna find
(I wanna give ya, I wanna give ya)
I hope tonight
You gon' give me everything you love insideï»¿
