Summertime Girls

Masketta Fall

Holding onto the summertime baby
It's all we got
With the bikinis out til the sun goes down
You know I can't get enoughI see the summertime girls and fall in love
I got my heart upon my sleeveAnd when the shirts come off the people stop,
No I just can't believeThem summertime girls, they drive me crazy
I think I'm in love
They're looking so good, they're so amazing
Like da-da-daa-da-da
They got the sunkissed skin and golden curls
Smiling at the world
Them summertime girls, they drive me crazy
It's all about them summertime girls
Them summertime girls,
It's about them summertime girlsI wait all year for the summertime,
I love the way they dance
When the sun comes up the beach is out,
Said I gotta take my chanceFollow me to the good times honey,
Yeah here we go
Cause it won't take long til the summer's gone
And we might just never knowThem summertime girls, they drive me crazy
I think I'm in love
They're looking so good, they're so amazing
Like da-da-daa-da-da
They got the sunkissed skin and golden curls
Smiling at the world
Them summertime girls, they drive me crazy
It's all about them summertime girls
Them summertime girls,
It's aboutIn the summertime we'll stay,
Cause tomorrow's on its way
Let's do this now,
Like wooooohHolding to the summertime baby,
It's all we got,
It's all I wantThem summertime girls, they drive me crazy
I think I'm in love
They're looking so good, they're so amazing
Like da-da-daa-da-da
They got the sunkissed skin and golden curls

Smiling at the world
Them summertime girls, they drive me crazy
It's all about them summertime girls
Them summertime girls,
It's about them summertime girls
