

Rise of the Fallen (Feat. Greg Puciato)

Soulfly

Up from the ashes of despair and loss
Years of enslavement now come with a higher cost
Bureaucracy you chose to rule with fear
Now feel the wrath that comes from all those years You choose to shut your eyes
Now repent Rise of the fallen
Suffer the hand you dealt yourself
Rise of the fallen
The fallacy of fractured wealth
Rise of the fallen
Ignore the parts of your machine
Rise of the fallen
Drink from the fountain of your poisoned dream Destroy the world and all the wars we're on
Ashes to ashes, dust to dust will come
I the destroyer of both worlds
Born from the womb of insult I come You chose to shut your eyes
Now repent
You chose to shut your eyes
Now repent Rise of the fallen
Suffer the hand you dealt yourself
Rise of the fallen
The fallacy of fractured wealth
Rise of the fallen
Ignore the parts of your machine
Rise of the fallen
Drink from the fountain of your poisoned dream Drink from the fountain of your poisoned dream
Bled from your machine
Choke on the spirits that you tried to eat
Now on you they feed
You build the part; now you play it
We become the master
Drown in all the laughter
Law from below; now you obey it
Death comes never faster
This is the disaster
