So Many Stars

Jane Monheit

The dawn is filled with dreams
So many dreams, which one is mine?
One must be right for meWhich dream of all the dreams
When there's a dream for every star?
And there are, oh so many stars, so many starsThe wind is filled with songs
So many songs, which one is mine?
One must be right for me
Which song of all the songs
When there's a song for every star?
And there are, oh so many stars, so many starsAlone the countless days
The endless nights that I have searched
So many eyes so many hearts so many smilesWhich one to choose? Which way to go?
How can I tell? How will I know?
Out of, oh so many stars, so many starsAlone the countless days
The endless nights that I have searched
So many eyes so many hearts so many smiles
Which one to choose? Which way to go?
How can I tell? How will I know?
Oh so many stars, so many stars
So many stars, so many stars
