

# Alain Delon

## Noctorum

Stranger you seem, lost on the street  
What is your story, where will it lead?  
Walk by my side, spend a little time  
Love me like Alain Delon  
Into your room, I spray some perfume  
What is your pleasure, I dont assume  
Shot in the dark, straight to my heart  
Love me like Alain Delon  
Last cigarette, nothing is said  
Will you remember this when its dead?  
I need the thrill, were in for the kill  
Love me like Alain Delon  
Ill be your dream girl  
And Ill be the sunrise  
If you dont kill me  
I will survive  
Stranger you seem, lost on the street  
What is your story, where will it lead?  
Walk by my side, spend a little time  
Love me like Alain Delon
